The itinerary is a guide to the tour and region is by no means a guarantee that they will be visited. Although the itinerary has been created with care and details are provided in good faith, we may make improvements that can be caused by weather changes, local factors, and our own research, to name a few examples. In the end, our goal is to provide you with the most satisfying trip. Nevertheless, to ensure the most accurate itinerary, it is strongly recommended that you print a final copy of your itinerary to review a couple of days prior to travel, in case there have been changes that affect your plans.
